

LAPSO

OFFICIAL SEARCHES, OFFICIAL HIPs

Want the Official Search in your Home Information Packs? With LAPSO, you can order the Official HIP online with a turnaround time which can be as quick or quicker than Personal HIPs, and it can even be cheaper.

Quick and reliable and available 24x7. Enter the postcode once and order all the searches - save time and money, and improve your customer service.

LAPSO is a collaborative solution between Bluesoft and Local Authorities to provide cheaper, electronic Official Searches.

When engaged by the Purchaser, simply select the Purchaser's Bundle to obtain the ancillary searches of Coal, Environmental, Flood, Chancel etc.

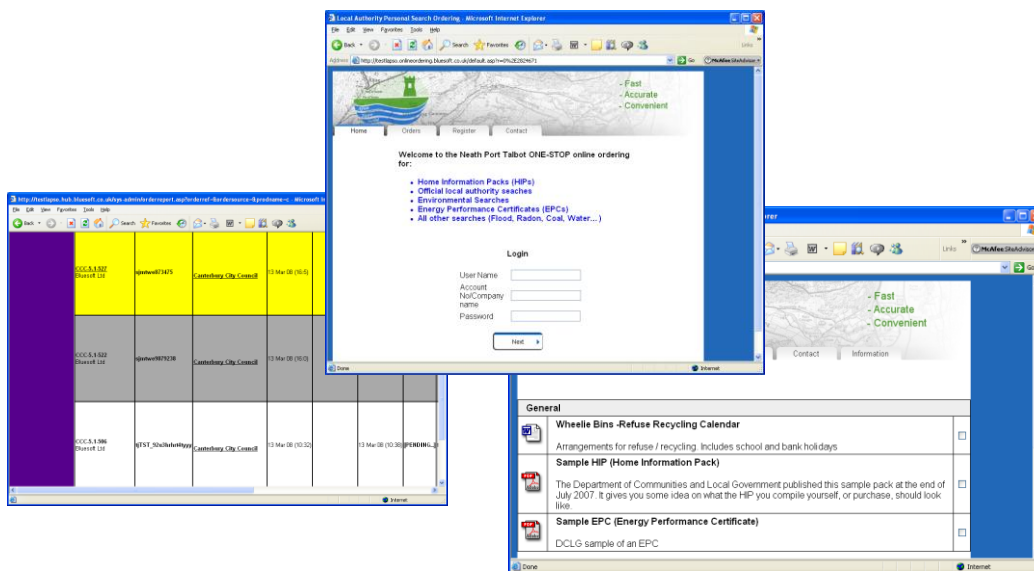

The official search is the assured product -not an insured product. It is the comprehensive guaranteed service giving the public assurance with statutory back-up should any problem arise. Quality is assured.

LAPSO - Official Searches & HIPs for any Local Authority in England & Wales

- ▶ **Quality Assured, Official Searches**
The comprehensive guaranteed service. Public assurance with statutory back-up.
- ▶ **Ease of Use**
Enter the postcode once and order all the searches required. Track online.
- ▶ **Searches for all of England & Wales**
LAPSO covers all local authorities in England and Wales.
- ▶ **Reliable**
The Bluesoft solutions first went live in the Property Searches Market in 2004.
- ▶ **Automatic LLC1 & CON29**
We create the equivalent LLC1 and CON29.
- ▶ **Optional XML Interface**
Send us the address and map via XML.
- ▶ **Electronic Payments**
Uses credit cards and BACS.
- ▶ **Alternative HUB**
The competitive Hub –drives down prices.
- ▶ **Call for pricing**
The price depends on the local authority. Please contact us for prices in your areas.

LAPSO benefits:

**Quality assured, Official Searches
Improve customer service
Save time and money**

Interested in trying out a few Official HIPs to prove the bottom line benefits, ease of use, quality, and reliability? If you would like to arrange a demonstration please contact us about possible dates.

Around 1 Million properties processed through Bluesoft websites and databases. Our products won accolades from BCS (British Computer Society) for CRM and GIS Winner. BCS showcase organisations with vision and business skills implementing highly successful projects using leading-edge technologies
