

Bluesoft/Hub

CHEAPER OFFICIAL SEARCHES

The alternative Hub. Transmit your Official Searches using XML to the Bluesoft/Hub for any local authority in England and Wales and receive the search using XML or the post. And save money in the process.

Quick and reliable and available 24x7. From January 2008, following the launch at the LLCI Annual Conference, you can now order through our reliable, tried and tested, independent Hub.

Offer a more competitive Home Information Pack with lower Hub fees. Order the Official Search and any other search such as the EPC.

Electronically send through 1 or 1000 orders every day for the Official Searches.

The official search is the assured product -not an insured product. It is the comprehensive guaranteed service giving the public assurance with statutory back-up should any problem arise. Quality is assured.
